Late arrivals will be charged for in full and your child will receive therapy for the remaining duration of the scheduled session. Failure to cancel sessions as set out above will result in an "Appointment Not Kept" fee being charged (50% of the regular session fee). Please notify the therapist if the child is unwell. It is important that sessions are rather cancelled when children are not well. Children are not able to participate optimally in sessions when they are feeling sick. The therapists also work with many medically vulnerable patients and it is important that we try to reduce the risk of spreading illnesses as far as possible.</p>
